Introduction

This catalogue is for mandatory use by all teams: Managers / Coaches and Volunteers.

In accordance with Doddinghurst Olympic Policies and Procedures, all equipment must be purchased using the DOFC Kit Order form (DOFC_KitOrder.xls – excel 2003 format).

Order Forms to be returned to the Kit Manager at Monthly Managers meetings. Mid-month urgent or 'ad-hoc' requests to be submitted to the Club Secretary.

No kit should be ordered directly from any supplier by any Team Manager / Volunteer (including Sponsors) without the express permission of the Kit Manager, this includes any item that will be self funded by the team. Any team operating outside of this instruction will fined 10% of the purchased cost (minimum £20).

This will ensure that our Club buying power is maximised and will assist in pricing negotiations.

Any item not shown in the catalogue can be requested on the order form (under miscellaneous) and will be subsequently reviewed for inclusion in the catalogue at the next Committee Meeting.

DOFC logo to be present on all kit (shirts), clothing and kit and boot bag.
